

Sesame Street

for Military Families

Transitions

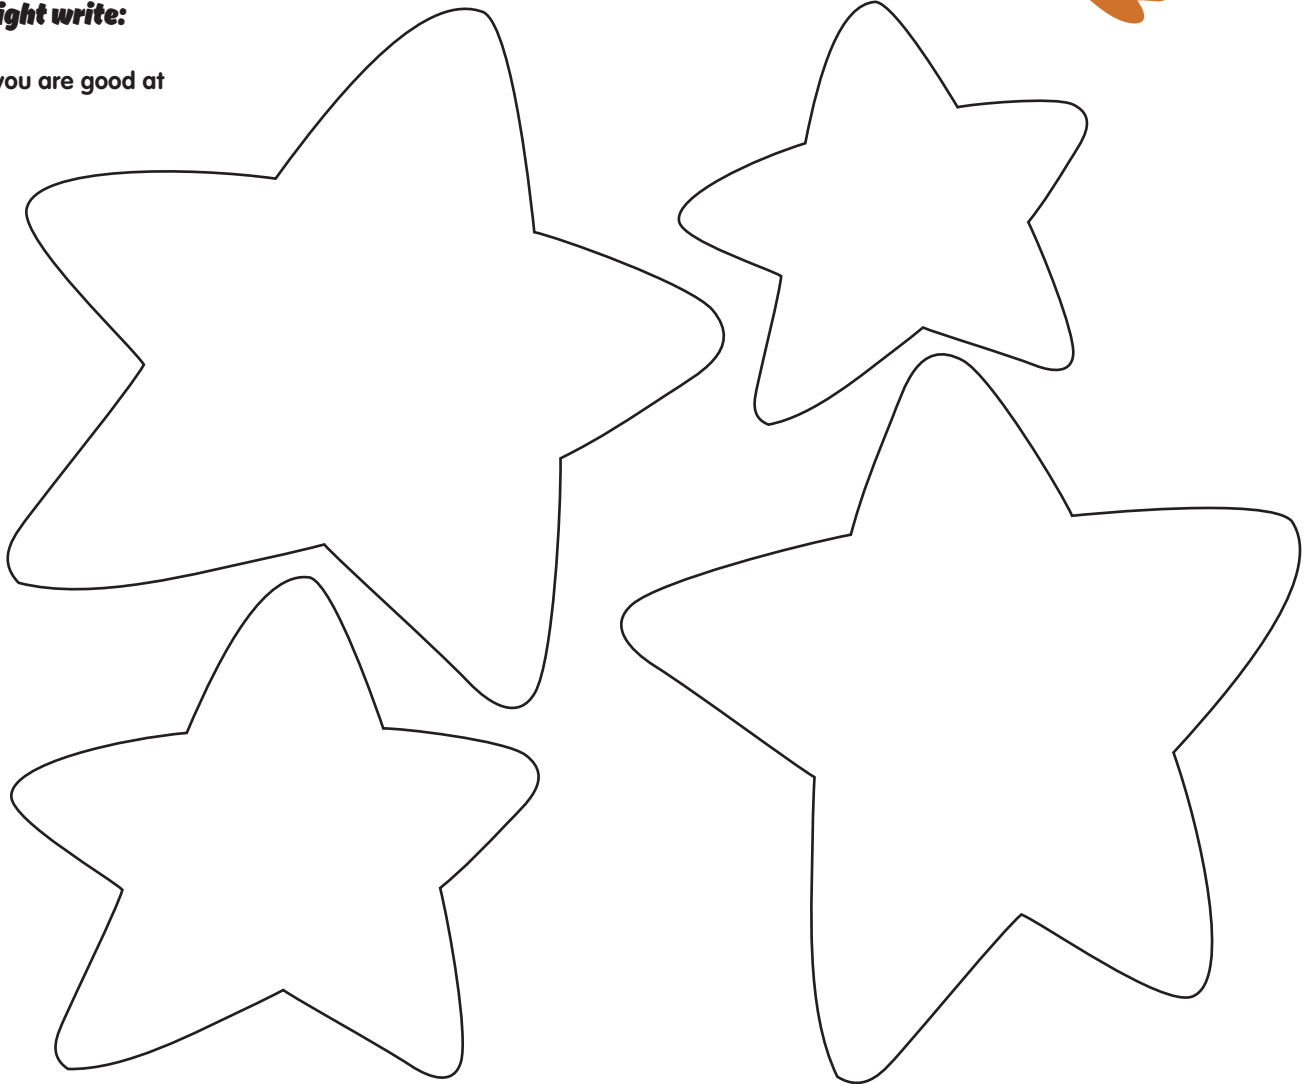

SUPER STARS

Sit with your mom or dad and a pencil and markers or crayons. Take turns writing on these stars. Then decorate or color them any way you like.

You might write:

- * wishes
- * things you are good at

Try This!

Pocketful of Stars Have a parent help you cut out more stars from a separate sheet of paper, and then do the same thing you did above. Then you and your parents can keep them in your pockets to remind you throughout the day...wherever you are!
