New Things Tree

Giving things a try is how we find out what we like and how we learn and grow. As you fill this tree with “new things” leaves (p. 2), you will see how much you have learned, too!

New Things Tree

How to Make It:
1. Label the leaf with a new task, food, or activity your child has tried.
2. Cut out the leaves.
3. Have your child paste them on the paper tree (p. 1).
