Imagine what Detective Elmo is looking at through his magnifying glass. Draw it!

Parent Tip:
Encourage your child to tell a story about what will happen in the picture. Then, watch Detective The Musical together. Ask your child: “What was Elmo looking for in the show? How did he find it? What clues did he use?” Talk about how the story you just watched was different from the one your child made up. The great thing about using your imagination is that there’s always more than one way to tell a story!
