Imagine what Sea Captain Elmo is looking for in the ocean. Draw it!

Parent Tip:
Encourage your child to tell a story about what will happen in the picture. Then, watch Sea Captain The Musical together. Ask your child: “What was Elmo looking for in the show? What problems did he face during his search? How did he solve them?” Talk about how the story you just watched was different from the one your child made up. The great thing about using your imagination is that there’s always more than one way to tell a story!
